

Scrip is the only year round WSHS Band fundraiser. Earn money to pay marching band fees, uniform fees and for the spring trip while you shop! Use scrip to purchase everyday expenses like food, clothing, and gas. Use at restaurants, department stores, the movies and when you travel. Earn money with every purchase.

What is scrip?

Scrip is a term that means "substitute money". You buy gift cards that are used just like cash. Most scrip comes in the form of plastic gift cards, just like the cards you can buy at stores. The cards have a running "memory". If you have a \$50 card and buy something for \$15, \$35 stays on the card for the next use.

How does my student earn money?

You buy gift cards at face value. Each merchant gives a percentage back, typically 2%-15%, which will be credited to your students account. The band charges each family 0.05% per order to cover administrative costs. The admin charge is subject to change. Merchants can change percentages at any time. The current rebate percentage is listed at the time you order. They also offer specials. Click on the "Specials" tab to view current offers.

How do I order scrip?

Log on to www.shopwithscrip.com and create a family account. Our enrollment code is 6FL12A3C15L78. Place your order online, anytime day or night, and pay with the PrestoPay™ service or by check, made out to WSHS Band Boosters. Checks are given to the coordinator (Sharon Pastino). Orders will be processed Sunday night and usually available for pick up on Fridays.

What If I don't have internet access?

The coordinator can create a proxy account for you and place your order. Call Sharon Pastino 703-644-4922 or email pastino1@verizon.net.

What is PrestoPay?

PrestoPay is the new, easy way to pay for your scrip. After you complete a one-time verification process you can choose to have the system withdraw the funds directly from your checking account. There is a convenience fee of .39 cents - less than the price of a stamp. This service is optional, you can use it some of the time or not at all, you decide upon checkout.

What is Reload?

Several merchants offer reloading on their cards. Once you have the plastic card you can add money to the card and not wait for a new one. If you place card reload orders and pay with PrestoPay™, "shopwithscrip" will automatically process your order by the next business day with no waiting. Generally speaking, any "reload only" order placed before 3 pm Eastern Time will be activated by the next business day. Click on the "Reload" tab to view merchants. Coordinators cannot order reload by proxy, you must have an account.

How does the Band student receive credit for a scrip order?

A list of each student's earnings for the previous month is forwarded on the first day of the next month to the Student Accounts board member. She adjusts the student's account information.
