

2011-2012 WSHS Band Program Volunteer Opportunities

To provide the support needed to make our band program a success, many volunteers are needed. Not all committees are busy at the same time and we need volunteers throughout the year to support ALL of the band activities and programs. Please look through the list and check the areas where you have an interest. Check as many as you like!! Please indicate who is volunteering so we contact the right person. Please do not volunteer someone unless they know they are being volunteered.
